FOUNDER OF PAPOTE

Sophia de Rosnay

Papote

Sophia opened Papote in January 2026: a café and play space in De Baarsjes, built for life with kids. It is where neighbourhood families slow down, eat well and play together.

As a mum herself, she wanted the after-school hours to feel just as warm. Papote BSO brings that home-away-from-home feeling to your child's afternoon.

FOUNDER OF BSO BY MIMINE

Laetitia Selij

BSO by MIMINE

Laetitia created Mimine BSO in Enkhuizen after her own daughter spent time somewhere that did not feel right for her. She set out to build the opposite.

BSO by Mimine is built around emotional safety for children and peace of mind for parents: calm, warm and personal, so every child is truly seen.

A warm, inspiring space where children can unwind, explore and feel at home after school.
